

Iron Horse Group Inc. & Nelson Bros. Oilfield Services (1997) Ltd.
Joint Venture Agreement

December 1, 2020

Iron Horse Group Inc. is proud to announce the formation of a new First Nations Joint Venture Partnership with Nelson Bros. Oilfield Services (1997) Ltd. Our strategic goal is to pursue opportunities in Alberta. Our focus will always remain on providing the highest quality of products and services, with a priority on the safety of our employees & clients with respect for the environment.

Iron Horse Group Inc. is a proud member company of the Dene Tha' First Nations specializing in aboriginal consultation, project management, water treating and specialty chemicals. Our focus is on the promotion of local communities and their people working together with industry in an environmentally respectful way.

Nelson Bros. is an Alberta based trucking and rental company in the oil and gas industry for the past 34 years. Nelson Bros fleet encompasses vac trucks, tank trucks, winch trucks, picker trucks, gravel trucks and an extensive rental inventory.

Our partnership enhances both Iron Horse Group and Nelson Bros. Oilfield Service (1997) Ltd offerings to industry and will provide the highest value to our clients.

We look forward to engaging industry and our communities with this new partnership. Please contact us for further information.
